

Director-at-Large – Karen Tanaka

Karen Tanaka has multifaceted experience in marketing, sales and operations and held leadership positions at Xerox, Centrinity, Immersive Media (launched Street View for Google Maps), and Gulf Pine Energy. Karen has extensive experience working with boards and executives in the areas of strategy, governance, strategic partnerships, fundraising, stakeholder engagement and acquisition, integration and divestiture plans.

Karen holds the ICD.D designation from the Institute of Corporate Directors and graduated from Simon Fraser University with a BBA. She is actively involved with the Vancouver Chinatown Foundation, the Japanese Canadian community through the Nikkei Senior Health Care & Housing Society, and has personal experience supporting family members living with dementia.

Karen was elected to the Society Board of Director's in 2018, is active on the Society's *Breakfast to Remember Vancouver* Organizing Committee and the Board's Governance Committee.
