5 from 9 votes

## Supplies

- Shells in various shapes and sizes
- White air-dry clay
- Craft paint in desired colors
- Paint brushes
- Hot glue gun

## Instructions

1. Plan each of your sea shell creatures first. Sketch designs and play around with the clay and shells to come up with creatures.
2. Roll, pinch, and shape the air-dry clay into the necessary parts of the creatures to hold the shells. Let dry overnight.
3. Paint the clay parts desired colors, adding googly eyes with white and black dots of paint. Let dry.
4. Assemble the creatures with hot glue.
