O N T A R I O

SERVING OTTAWA AND RENFREW COUNTY / OFFRANT DES SERVICES À OTTAWA ET RENFREW COUNTY

Dear Ottawa and Renfrew County Communities,

The Alzheimer Society serving Ottawa and Renfrew County is pleased to announce that it has a new office located at 1400 Clyde Ave, Suite 222 Ottawa ON. Alzheimer Society programs and services including First Link™, Support and Education can continue to be accessed through this office.

There has been some question in the Region regarding services offered by the Alzheimer Society in the community. To clarify, in April of 2017, thirty of the thirty-one Alzheimer Societies in Ontario signed on to a new federation agreement. The Ottawa and Renfrew County society chose not to and its Board made the decision to leave the Federation of Alzheimer Societies. They created a new organization; The Dementia Society.

The federation agreement represents an effective and efficient way for Alzheimer Societies to better serve people living with dementia and their care partners. The agreement maintains local Society autonomy allowing each Society to continue to address community needs and provides program and operational shared services where valuable.

The Alzheimer Society serving Ottawa and Renfrew County remains committed to ensuring that the community has access to traditional and new Alzheimer Society programs and services. If we can be of assistance to you, please do not hesitate to contact us.
