Official Statement

It is with great sadness that the Alzheimer Society of Montreal announces the departure of Ms. April Hayward, Director – Programs and Services. April’s last official day will be July 18, but she will use her final, well-deserved vacation days as of June 23.

April has been a cornerstone of the Society’s evolution and is responsible in no small part for its success. Much of the credibility and notoriety the Society enjoys today, we owe to her.

Her departure is a great loss for our organization, and a great gain for her next employer. We are beyond certain that April will handle all of the challenges that await her with aplomb. The Society is sincerely thankful for everything that she has done and for the legacy she leaves in our milieu at a local, provincial, and national level.

Please be advised that Ms. Marie Christine Le Bourdais will assume April’s function in the interim. You can reach her by email at: mclebourdais@alzheimermontreal.ca

Thank you, April, and best wishes for the future.
