### About The Speakers

#### Dr. Orange, PhD

Dr. J.B. Orange is a Professor in and the Director of the School of Communication Sciences and Disorders at Western University in London, Ontario. He is an associate Scientist with the Lawson Health Research Institute in the Aging, Rehabilitation & Geriatric Care Centre at St. Joseph's Health Care—Parkwood Hospital in London, Ontario. He is also a Research Associate with the Canadian Centre for Activity and Aging at Western. Dr. Orange's current research projects include; the analyses of language, discourse, and conversation of individuals with Alzheimer's disease, aphasia, frontotemporal lobe dementia, Parkinson's disease, and amyotrophic lateral sclerosis. Other ongoing studies include; communication enhancement education and training programs for family caregivers of individuals with dementia.

#### Jayne Harvey, RN

Jayne Harvey is the owner and CEO of FCS International. An RN with over 27 years experience primarily in senior care, the variety of her involvement ranges from community care to retirement and LTC, including roles as client advocate, consultant, education trainer, and motivational speaker. Her article was featured in Chicken Soup for the Canadian Soul. Jayne's workshops provide practical strategies and tools that apply to organizations regardless of existing expertise or resources. Her dynamic style is as practical as it is energetic and entertaining. Participants walk away equipped to meet any of the challenges that face them.
