Join us for the *IG Wealth Management Walk for Alzheimer's* in May!

On Sunday, May 26, 2024, 20 communities across B.C. will walk together at the Alzheimer Society of B.C.'s largest fundraising event, the *IG Wealth Management Walk for Alzheimer's*, presented by Go Auto. Join us to make a difference and send a message of hope to everyone affected by dementia.

Currently, more than 85,000 people are living with dementia across the province – and that number is growing. The Alzheimer Society of B.C. is here to provide the support people affected by dementia need to maintain the best quality of life possible. Our vision of a dementia-friendly B.C. is only possible through the generous support of fundraisers who participate in events such as the *Walk*.

Team up with your family, friends and coworkers and help us honour and remember people in your communities affected by the disease. Funds raised help to provide the Alzheimer Society of B.C.

programs and services and enables research into the causes of and cure for the disease.

Who will you Walk for?

To learn more about the *IG Wealth Management Walk for Alzheimer's* and register, visit walkforalzheimer.ca.

If you are unable to attend an event and still wish to get involved, you can:

- *Walk in a box* – Plan a smaller event in your community with family, friends or coworkers. Walk in your neighbourhood or simply gather together to raise funds.
- *Walk your way* – Can't make it to any of our *Walk* locations? No worries! You can still show your support by walking in your own unique way, wherever and whenever it's convenient for you.
