

Who will you walk for at the IG Wealth Management Walk for Alzheimer's?

We are thrilled to announce that the *IG Wealth Management Walk for Alzheimer's* will return on Sunday, May 29, 2022. The family-friendly event is a way to honour and remember the people in your lives who have been affected by dementia, while raising valuable funds for the Alzheimer Society of B.C.

Funds raised at the event will ensure that people in your community affected by dementia have access to support, education and information, as well as enabling research into the causes of and cures for dementia.

Each *Walk* is dedicated to an honouree – someone who has been affected by dementia or who has valuably contributed to the lives of people living with the disease.

Events will adhere to current public health guidelines, and there is a 'Walk your way' option for anyone who is unable to attend an in-person event.

To learn more or to register for the *IG Wealth Management Walk for Alzheimer's*, visit www.walkforalzheimers.ca.
