## Join us for the *IG Wealth Management Walk for Alzheimer's* in May!

Get ready to take part in the 2023 *IG Wealth Management Walk for Alzheimer's*, presented by Go Auto. The *Walk* returns to communities across B.C. this spring on Sunday, May 28, 2023.

Currently, more than 85,000 people are living with dementia across the province – and that number is continually growing. The Alzheimer Society of B.C. is here to provide the support people need to maintain the best quality of life possible throughout their journey. Our vision of a dementia-friendly B.C. is only possible through the generous support of fundraisers who participate in events such as the *Walk*.

Team up with your family, friends, and coworkers and help us honour and remember people in your communities affected by the disease. Funds raised help to provide programs and services for families on the journey and contribute to research into the causes of and cure for the disease.

### Who will you *Walk* for?

To learn more about the *IG Wealth Management Walk for Alzheimer's* and register, visit [walkforalzheimer.ca](http://walkforalzheimer.ca).

If you are unable to attend an event and still wish to get involved, there are some other options for you:

- *Walk in a box* – Plan a smaller event in your community with family, friends or coworkers. Walk in your neighbourhood or simply gather together to raise funds.
- *Walk your way* – Get active in a way that suits you: run, cycle, swim, paddle, ski or snowboard... However you choose to move, show your support in your own way.

For more information, contact Nick Dunn at [ndunn@alzheimerbc.org](mailto:ndunn@alzheimerbc.org).

### We want to hear from you!

We always want to learn more about the needs of people in our community. We would like to invite you to take a short ten-minute survey to share your thoughts.

To participate, visit [alzbc.org/FL-Survey23](http://alzbc.org/FL-Survey23). If you do not have access to a computer, we have enclosed the survey with this newsletter and a pre-paid envelope.

Everyone who completes this survey has the option of entering their name into a prize draw for one of three \$50 Visa gift cards.

## Learn about dementia and connect with others through dementia education

**Our dementia workshops educate and empower people living with dementia and their families and friends.**

The online workshops are presented in a limited-sized group and will be facilitated to provide opportunities for live discussion. A range of days and times of day, including evenings, are available.

### Registration:

**In-person workshops:** Call our First Link® Dementia Helpline at 1-800-936-6033.

**Online workshops:** Register online by visiting [alzbc.org/edu-workshops](http://alzbc.org/edu-workshops) or call the First Link® Dementia Helpline at 1-800-936-6033. You will receive an email with a link to join the event prior to the event date.

### In-person dementia education in Greater Victoria area

With increased knowledge surrounding safety measures and high level of vaccinations across B.C., we have updated our safety protocols based on the current recommendations from the B.C. government.

Masks and proof of full vaccination are now optional for attending all in-person programs. To learn more about safety protocols, visit: [alzbc.org/COVID-safety](http://alzbc.org/COVID-safety)
