

The Alzheimer Society of B.C. gratefully acknowledges the thousands of donors who share our vision of a world where people living with dementia are acknowledged, supported and included. Your donations allow us to remain focused on our work to support and connect with people whose lives have been affected by the disease. They also help us to fund research into the causes of and cures for dementia.

The following list is in recognition of gifts of \$1,000 or more received between April 1, 2021 and March 31, 2022.
