

ANNUAL REPORT 2017-18

Soci t  Alzheimer Society CHATHAM - KENT

Quote from a husband and wife 2018 Walk for Alzheimer's team, The Dragonflies:

"My husband and I have just completed our first 'Walk for Alzheimer's—Make Memories Matter'. It was an extremely uplifting experience although I must admit we danced for Alzheimer's rather than walked. Once he heard the music, it was suddenly too cool to be outside. He is all about the music as his Day Program staff and volunteers know.

We truly appreciate what The Society stands for and accomplishes on behalf of those affected by dementia.

Our recognition and thanks go to all your staff and volunteers meeting the needs people with Alzheimer's and caregivers alike—reception, counselling and awareness, out-of-home programs or in-home support, First Link® Learning Series and presentations, support groups, advocacy, promotion event planning...the list goes on.

We cannot thank you enough for being there and meeting the needs we do not even know we have...yet."
