Community Support Services Network

As a member of the Community Support Services Network, the Alzheimer Society Huron Perth works with **Central Intake** to help connect a person living with or affected by dementia to appropriate services. With one call to **1-844-482-7800** individuals and family caregivers can be connected to the full range of available community support services in Huron & Perth. Services include meals & nutrition, transportation, health & wellness, in-home support, intensive support programs, linkages to additional community services, personal and social supports for older adults, persons with dementia, disabilities, or brain injury.

The Gift of Giving

Did you know donations by individuals, businesses and community groups provide 45% of the revenue required to fund vital programs and services for people living with dementia and their families in Huron and Perth County communities?

Donate in Memory and in Honour

Memorial donations to the Alzheimer Society Huron Perth are a significant way to pay tribute to a relative, friend or co-worker who has passed away. You are honouring a special life by helping us improve the quality of life of people living with Alzheimer's disease and other dementias and their care partners.

You can also donate as part of a celebration gift. You can commemorate any special occasion, including birthdays, anniversaries, graduations, retirements or weddings with a gift to the Alzheimer Society Huron Perth. Please contact us directly and we'll customize a package for you.

We welcome donations online, by mail, by e-transfer to cathyr@alzhp.ca, in person or over the phone.

To learn more about ways to give, please call 519-482-1482 or 519-271-1910 or visit <https://alzheimer.ca/huronperth/en/take-action/donate>

Vision

A world without Alzheimer's disease and other dementias

Mission Statement

To alleviate the personal and social consequences of Alzheimer's disease and other dementias and to promote research.

Values

Collaboration,
Accountability, Respect,
Empowerment,
Excellence

Programs and Services

Information & Education

We are committed to offering education to people living with dementia and their care partners. Education is also available to professionals and the general public.

Individual & Family Support with First Link Counsellors

Connect with a counsellor through in-person, phone, or video appointments to receive assistance working through individual situations, answering questions, and accessing support services.

Group Meetings

Join our various support and social groups to connect with peers, gain knowledge and strategies to manage challenges, and to develop a social network of support.

First Link Care Navigators

The Navigators assist newly impacted individuals to get connected to appropriate services, and better understand the health care system.

Behavioural Supports Ontario

BSO Social Workers are available to provide enhanced support, counselling, education, advocacy and transitional planning for persons living with a dementia who are experiencing responsive behaviours, family members and/or professionals supporting them. Our BSO Social Workers work in partnership with the hospital and Long Term Care BSO team members, as well as the BSO community mobile team.

Social Recreation

We facilitate programs to help our clients stay active and engaged. Our in-person and online programs provide an opportunity for building and maintaining strong social connections.

Resources for Living Safely in the Community

FINDING Your Way®
For people with dementia,
every step counts.

Learn more about how to live safely, while being active, in your community. The Finding Your Way™ program provides information about why people with dementia get lost or go missing, how the risk of missing incidents can be reduced, and what to do if someone does go missing.

Free online training is also available as well as information about locating technologies.
www.findingyourwayontario.ca

Project LifeSaver® is a program that uses radio signals to locate missing individuals. The registered individual wears a special bracelet to help locate and return him/her home as quickly as possible. Contact the Alzheimer Society office for more details or to register.

Dementia Friendly COMMUNITIES

A Dementia Friendly Community is a place where people living with dementia are supported to live a high quality of life with meaning, purpose, and value.

Join us in creating safe and supportive spaces for people with dementia by learning how to create a Dementia Friendly Community!

To receive dementia friendly training please contact the Alzheimer Society.

Caregiver Support Groups

Caregiver support groups are an opportunity to connect with other caregivers, enhance your understanding of dementia, and develop practical strategies for supporting a person living with dementia. Groups are ongoing and are currently being offered in a variety of formats including virtually via Zoom using both telephone and online access or in person following public health guidelines. Current and new registered caregivers are welcome.

Please contact your Support Counsellor or the office to register and to confirm location.

Social Groups for Persons with Dementia attached to programs with this symbol

Caregivers of a Person with Dementia Living in Long Term Care

A monthly support group specific to caregivers of a loved one living in Long Term Care.

Fourth Wednesday
10:00 - 11:30 am

Life After Dementia Support Group

The bereavement support group is offered to care partners who have lost a loved one who experienced living with dementia. The group's purpose is to provide an ongoing opportunity to meet with others who share similar circumstances. We will explore feelings associated with grief, learn about coping strategies, and explore opportunities of what comes next in life after dementia.

Fourth Wednesday
1:00 - 2:30 pm

Social Groups are held at the same time as the Caregiver Support Groups and are for those living with Alzheimer's disease and other dementias. Your loved one will spend time engaging in activities that encourage socialization, brain stimulation, and laughter while you attend the caregiver support group. **Registration is required in advance of each group. Please contact the office for the most up-to-date information regarding availability and location of the program.**

Support for People Living with Dementia

Circle of Friends Support Group for Persons Living with Dementia

Circle of Friends is a support group for people in the early stages of dementia. Please contact your Support Counsellor or the office to register.

**First and Third Wednesday
of each month
10:00 - 11:30 am**

Note - There will not be groups held in July and August. The group will resume in September.

In-Home Recreation Program

The In-Home Recreation Program offers individualized activities for persons living with dementia either in-home or virtually. Following a recreation and leisure assessment, the coordinator will develop an individualized plan based on interests.

The In-Home Recreation Coordinator or a carefully selected volunteer will facilitate activities and provide social and cognitive stimulation to the client through ongoing weekly visits.

This program also aims to empower care partners by demonstrating activities and providing educational opportunities and support.

This program is open to registered clients.

To register for this program, please contact your Support Counsellor, or either of the Alzheimer Society offices in Huron 519-482-1482 or Perth 519-271-1910.

In-Home Recreation

First Link® Client Advisory Council Information

The First Link® Client Advisory Council meets to discuss future planning for the Alzheimer Society.

This Council will report back to the Board of Directors.

If you are interested in participating or learning more, please contact the Alzheimer Society at 519-482-1482 / 519-271-1910.

Research Portal

The Alzheimer Society Research Portal connects researchers with Canadians looking to participate in studies. This initiative will help to advance Canadian studies on Alzheimer's disease and other dementias.

To learn more about participating in a study, visit www.alzheimer.ca/en/Research

Client Education Programs

All sessions are free of charge and pre-registration for registered clients is required for each education session unless otherwise stated. Please contact your Support Counsellor, info@alzhp.ca or one of the offices Huron 519-482-1482 / Perth 519-271-1910.

*Please note: Groups with insufficient registration may be canceled or postponed.

First Link Learning Series

First Steps

First Steps provides an overview of Alzheimer's disease and other dementias. This 4 week learning opportunity is for newly diagnosed individuals, along with their care partners. Sessions are free. Manuals will be provided.

Course topics include:

- What to Expect: Understanding Dementia and the Disease Process
- Adapting to Brain Changes

6:30 - 8:00 pm

Sessions held on ZOOM

Options for Care

HOME - Help in the home: creating a plan for support. This is for Care Partners who are just beginning to support a person living with dementia, who have not yet accessed services or only accessed minimal services.

Inquire for details on the next session or to request being put on the waiting list for the next available session.

RETIREMENT HOME AND LONG TERM CARE - Considering residential options: This is for Care Partners who are starting to consider the move to a residential care setting that can provide more care than they can manage at home. It is meant to help make the right decision for the Care Partner and the person living with dementia.

Inquire for details on the next session or to request being put on the waiting list for the next available session.

LONG TERM CARE TRANSITIONS - Moving to Long Term Care; Before, During and After. This is for Care Partners who want to know more about applying to Long Term Care and/or are planning to move to long-term care soon and want to discuss how to prepare the person living with dementia and themselves for this move.

Inquire for details on the next session or to request being put on the waiting list for the next available session.

Client Education Programs

All sessions are free of charge and pre-registration for registered clients is required for each education session unless otherwise stated. Please contact your Support Counsellor, info@alzhp.ca or one of the offices Huron 519-482-1482 / Perth 519-271-1910. *Please note: Groups with insufficient registration may be canceled or postponed.

Care in the Later Stages

This session is to help caregivers understand what to expect in the later stages of dementia. It explores how to provide care and comfort to someone in the later stages of the disease. Finally, it explores grief, loss, and quality of life.

Inquire for details on the next session or to request being put on the waiting list for the next available session.

Learning the Ropes for Living with Mild Cognitive Impairment™

Learning the Ropes™ is aimed at older adults experiencing Mild Cognitive Impairments (MCI) and their close family member/friend. We focus on optimizing cognitive health through lifestyle choices, memory training, and peer support.

Learning the Ropes includes 6 weekly sessions and one follow-up session. Each session is 2 hours in length.

Topics:

- MCI: What is it? How does it differ from normal aging and dementia?
- Memory training: Practical exercises aimed at improving everyday remembering
- Lifestyle choices: How do stress, diet, and leisure activities influence memory ability?
- Family support: Discovering approaches for living effectively with a relative experiencing MCI

Cost is \$25 per participant for the Workbook which will be distributed at the first session. Registration deadline: September 6, 2023

Wednesdays, Sept. 13, 20, 27, Oct. 4, 11, 18, Nov. 15 10:00 am - 12:00 pm Goderich

Taking Control of Our Lives™

Taking Control of Our Lives™ is a 9 week group education program focused on empowering and supporting people living with early stage dementia. Participants include those with a diagnosis of early stages of dementia and a family member/friend. Taking Control of Our Lives™ is designed to have a positive impact on participants' ability to make strong connections, feel valued, stand up to stigma, feel connected, and have more confidence.

Inquire for details on the next session or to request being put on the the waiting list for the next available session.

U-First!® Training for Care Partners

U-First!® for Care Partners is an education program consisting of 3 weekly, 2 hour sessions, that will help you to build confidence and skills to:

- Enhance your well-being and that of the person you are supporting who is experiencing behaviour changes
- Reduce responsive behaviours by using the U-First!® framework
- Improve collaboration among all team members through a common knowledge, language, and approach to care

Inquire for details on the next session or to request being put on the waiting list for the next available session.

Register for Sept. 6

Ten Warning Signs

Should I be worried? This session reviews the early signs of dementia and what distinguishes it from common age related memory changes.

Thursday, September 7 1:30 - 2:30 pm Register for this Zoom session

Types of Dementia

What is the difference between Alzheimer's disease and Dementia? An introduction to the most common types of dementia including Alzheimer's disease, Vascular, Lewy Body, Frontal Temporal, and Mixed Dementia.

Thursday, September 14 1:30 - 2:30 pm Register for this Zoom session

8 A's of Cognitive Change

Introduces common cognitive changes people with dementia experience. We will describe these changes as a *shift in perception* - a shift in the way many people with dementia see and navigate the world.

Thursday, September 21 1:30 - 2:30 pm Register for this Zoom session

Communication Tips

This session looks at how communication changes due to dementia can affect day-to-day experiences and offers some starting points to improve connections.

Thursday, September 28 1:30 - 2:30 pm Register for this Zoom session

Memory Clinics

If you are worried about your memory, talk to your family doctor who can evaluate your situation. In Huron and Perth Counties, there are many Family Health Teams that offer Memory Clinics for assessment and counselling. If additional assessment and evaluation is required, a concerned individual may also be referred on to other specialists in the area.

Public Education Programs

Pre-registration is required for each education session. Register by phone Huron 519-482-1482 / Perth 519-271-1910, visit our website: <https://bit.ly/ASHPEducationHour>
All sessions are free of charge; donations are welcomed but not required.

Memory and Aging Program™

The Memory and Aging Program™ is for anyone interested in learning about memory changes that may occur with age.

We discuss how memory works, memory strengths, and strategies to improve everyday memory performance.

This well designed, evidence-based program was developed at Baycrest Hospital in Toronto. We are pleased to offer it in Huron Perth in 4 Weekly, 2 Hour Sessions

Cost: \$25 per participant. Includes Workbook.

Register for Huron sessions with Jeanette, jeanettes@alzhp.ca or 519-482-1482.

Register for Perth sessions with Christy, christyb@alzhp.ca or 519-271-1910.

**Registration deadline: Sept. 14*

Sessions held in Mitchell

Caregiving 101: Dealing with the Feelings

Becoming a caregiver is a significant change that often leaves little time to process. Take some time to equip yourself for this journey with this 4-week program.

Topics include Caregiver Stress, Grief & Loss, and Feelings of Guilt.

Open to the general public and registered clients. Free to attend.

Contact jeanettes@alzhp.ca or christyb@alzhp.ca for details or to register.

Tuesdays, August 1, 8, 15, 22 2:30 - 4:00 pm

Sessions held on Zoom

Bereavement Program

This is a 4 week support/education program for the general public who have lost a loved one to dementia. We will share stories, learn about grief and dementia, and explore ways of coping and moving forward following the loss. The group will offer both opportunities for education and time for discussion.

Please pre-register by contacting Christy at 519-271-1910 ext. 21, or christyb@alzhp.ca.

Wednesdays, Sept. 20, 27, Oct. 4, 11 1:30 - 3:00 pm

Sessions held in Goderich

Public Education Programs for Healthcare Providers

There are various educational opportunities available to healthcare providers. Connect with the Alzheimer Society Huron Perth to discuss the options suitable for you.

Lunch and Learn for Healthcare Professionals

This 3 week lunch hour condensed course reviews *Dementia Basics*, *Communication Skills*, and a *Review of Programs and Services* available at the Alzheimer Society to help people you serve. Join us for one or all three sessions.

Inquire for details on the next session or request a lunch and learn for your group.

Gentle Persuasive Approaches (GPA) in Dementia Care: Supporting Persons with Responsive Behaviours

Gentle Persuasive Approach is an 8-hour educational program designed for interdisciplinary point of care staff across healthcare sectors. This program promotes a person-centred, compassionate approach to care, enabling staff to respond respectfully, and with confidence and skill when providing care. Fees apply. Workbooks required.

To arrange a GPA for your staff or workplace, email us at info@alzhp.ca or call Huron 519-482-1482 / Perth 519-271-1910.

U-First!® Training for Health Care Providers of People with Alzheimer's Disease and Other Dementias

U-First!® is a training program that helps non-registered health care providers develop a common knowledge base, language, values, and approach to caring for people with Alzheimer's disease and cognitive impairment by understanding the person living with dementia and associated behaviour changes and working as a team to develop individualized support strategies.

Cost: \$80 per participant

Call the office to register or for details on the next available session or to book a training program for your workplace.

Community and Public Education

Are you looking for a speaker for your meeting? Would you like to know more about Dementia Friendly Communities®, and/or receive dementia training for your staff in a local business, community organization, retirement, or long-term care home? Training can be tailored to meet the needs of staff and/or volunteers.

Please contact **Christy**, christyb@alzhp.ca or **Jeanette**, jeanettes@alzhp.ca to discuss your needs and options.

Social Recreation

Minds in Motion®

Minds in Motion is a program for those living with early to mid-stage Alzheimer's disease or other dementias and their care partners. The program runs once a week for 8 weeks and incorporates physical activity and mental stimulation.

In-Person

This program includes 60 minutes of physical activity led by a certified senior fitness instructor and 60 minutes of brain health activities. Cost \$20 per participant.

Advanced registration is required for in-person and virtual programs.

Paint

Sometimes words don't have the capacity to convey exactly how we feel or what we think. Creating art can be relaxing and can be a new avenue for communication. This class will use symbols, imagery, and metaphors to help encourage self-expression.

The Alzheimer Society Huron Perth is partnering with Kind-hearted Studio to provide Expressive Art Classes for those living with Alzheimer's disease and other dementias and their care partners.

Program fee is \$10.00 per person. Registration is required as spots are limited.

If you are interested in registering, please contact Pamela at pamelab@alzhp.ca or by calling 519-271-1910 ext. 227.

Stratford
Wednesday, August 16

Therapeutic Resources

Therapeutic Resources are utilized for the purposes of providing support for a person living with dementia. The Society will provide training and instruction on the use and purpose of the items. Should the borrower/care partner wish to purchase the lending item for long term use for their loved one, the Alzheimer Society is happy to provide information on where a borrower/care partner or family can purchase an item of their own.

Therapeutic Resource Options

- iPads - engage through apps and resources to stimulate the person living with dementia's mind
- Music Players - this program provides opportunities to reminisce, move your body, and express yourself
- Robotic and Sensory Cats & Dogs
 - designed to stimulate cognition using tactile objects
- Dolls - designed to stimulate cognition, dolls provide an opportunity for purpose and reminiscing
- Sensory Quilts, Activity Aprons, Twiddle Muffs - stimulate cognition using tactile objects

This program is for registered clients. For more information on the Therapeutic Resource Program, please contact your support counsellor or the Society by info@alzhp.ca or phone.

Special Events

THANK YOU FOR WALKING WITH US!

walkforalzheimers.ca

Thank you for walking with us!

We called on you to lace up your shoes, fundraise, and walk over 3100 steps this May for the more than 3100 people living with dementia in Huron and Perth Counties, and you stepped up to the challenge!

With your support, we have raised over \$120,000 towards our goal of \$128,000. All of the funds raised remain in Huron and Perth Counties to help meet the growing demand for life-changing programs and services that our community relies on for their wellbeing when affected by Alzheimer's disease or another dementia. Every step that you took is a step towards supporting one person impacted by dementia. No one should have to face this terrible disease alone. Thank you!
