

Bianca

Bianca has volunteered with the ASNR since November 2019. Since she began volunteering, Bianca has become a dedicated member of our Friendly Visitor program, supporting our clients' social visits with conversation and fun activities.

Bianca has been a great addition and representation of the Alzheimer Society and has donated close to 100 hours of her time. Most recently, Bianca was awarded the Niagara Falls Volunteer Recognition Award.

Following her award win, Bianca said: "My experience volunteering with the Alzheimer Society has been so enjoyable over the last 3 years. I'm so grateful to be recognized for my commitment and to volunteer for an organization that supports health, well-being, and the Niagara Region!"
