

Committee Volunteer

Mission, Vision, Values

Our Mission:

To advocate for and with people living with dementia and their care partners and provide access to a diverse range of appropriate resources and supports. Particularly, to alleviate the personal and social consequences of Alzheimer's disease and other dementias and to promote research.

Our Vision:

A community where individuals with dementia and their care partners are fully supported to maximize their quality of life and well-being. Ultimately, a world without Alzheimer's disease and other dementias.

Values: CARE

Collaboration

We continually seek new opportunities for collaboration with all stakeholders to enhance the range of coordinated services available to meet the needs of this unique population and educate the public.

Accountability

We believe in openness and transparency. We are accountable for our actions and decisions to those we serve and to those who fund and support our organization.

Respect

We value commitment, integrity and consistency. Dealing fairly, acting ethically and showing respect are cornerstones of our future growth and success.

Excellence

We are committed to innovation and sustainability. We are leaders in the development and delivery of services that use a holistic, client-centered approach that is inclusive of all care partners involved and take into account all aspects of well-being for those being served.
