

Coloring Project

Pretty Platters

Attach a colored design to a heavy-duty platter-style paper plate. Use it to hold everyday items or individually wrapped candy and snacks.

You will need:

- [Platter designs](#) printed on copy paper
- [12" heavy-duty oval paper plate](#)
- Clear contact paper (8" X 10")
- Colored pencils or markers
- Scissors, glue stick

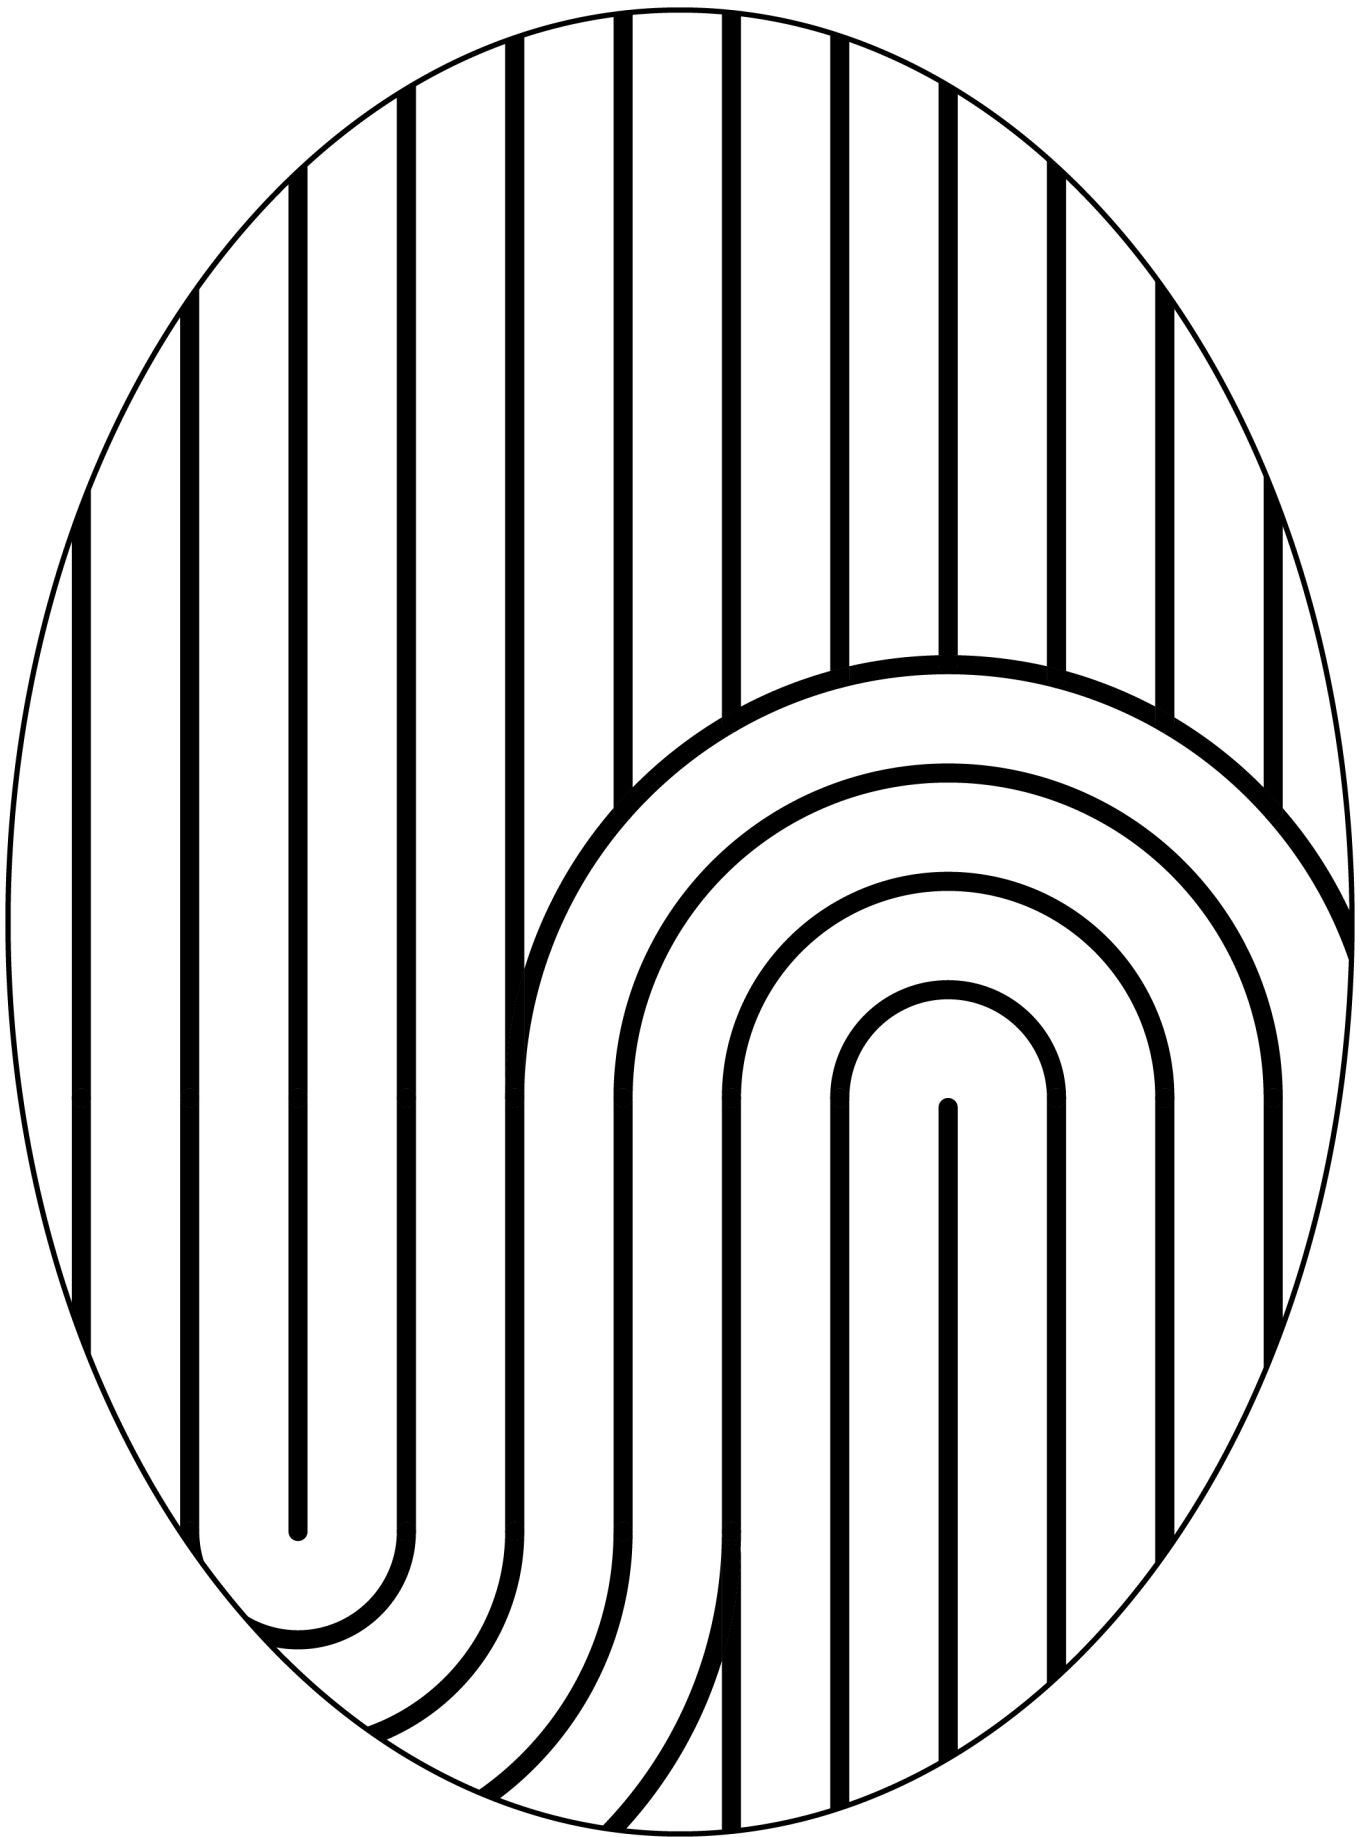

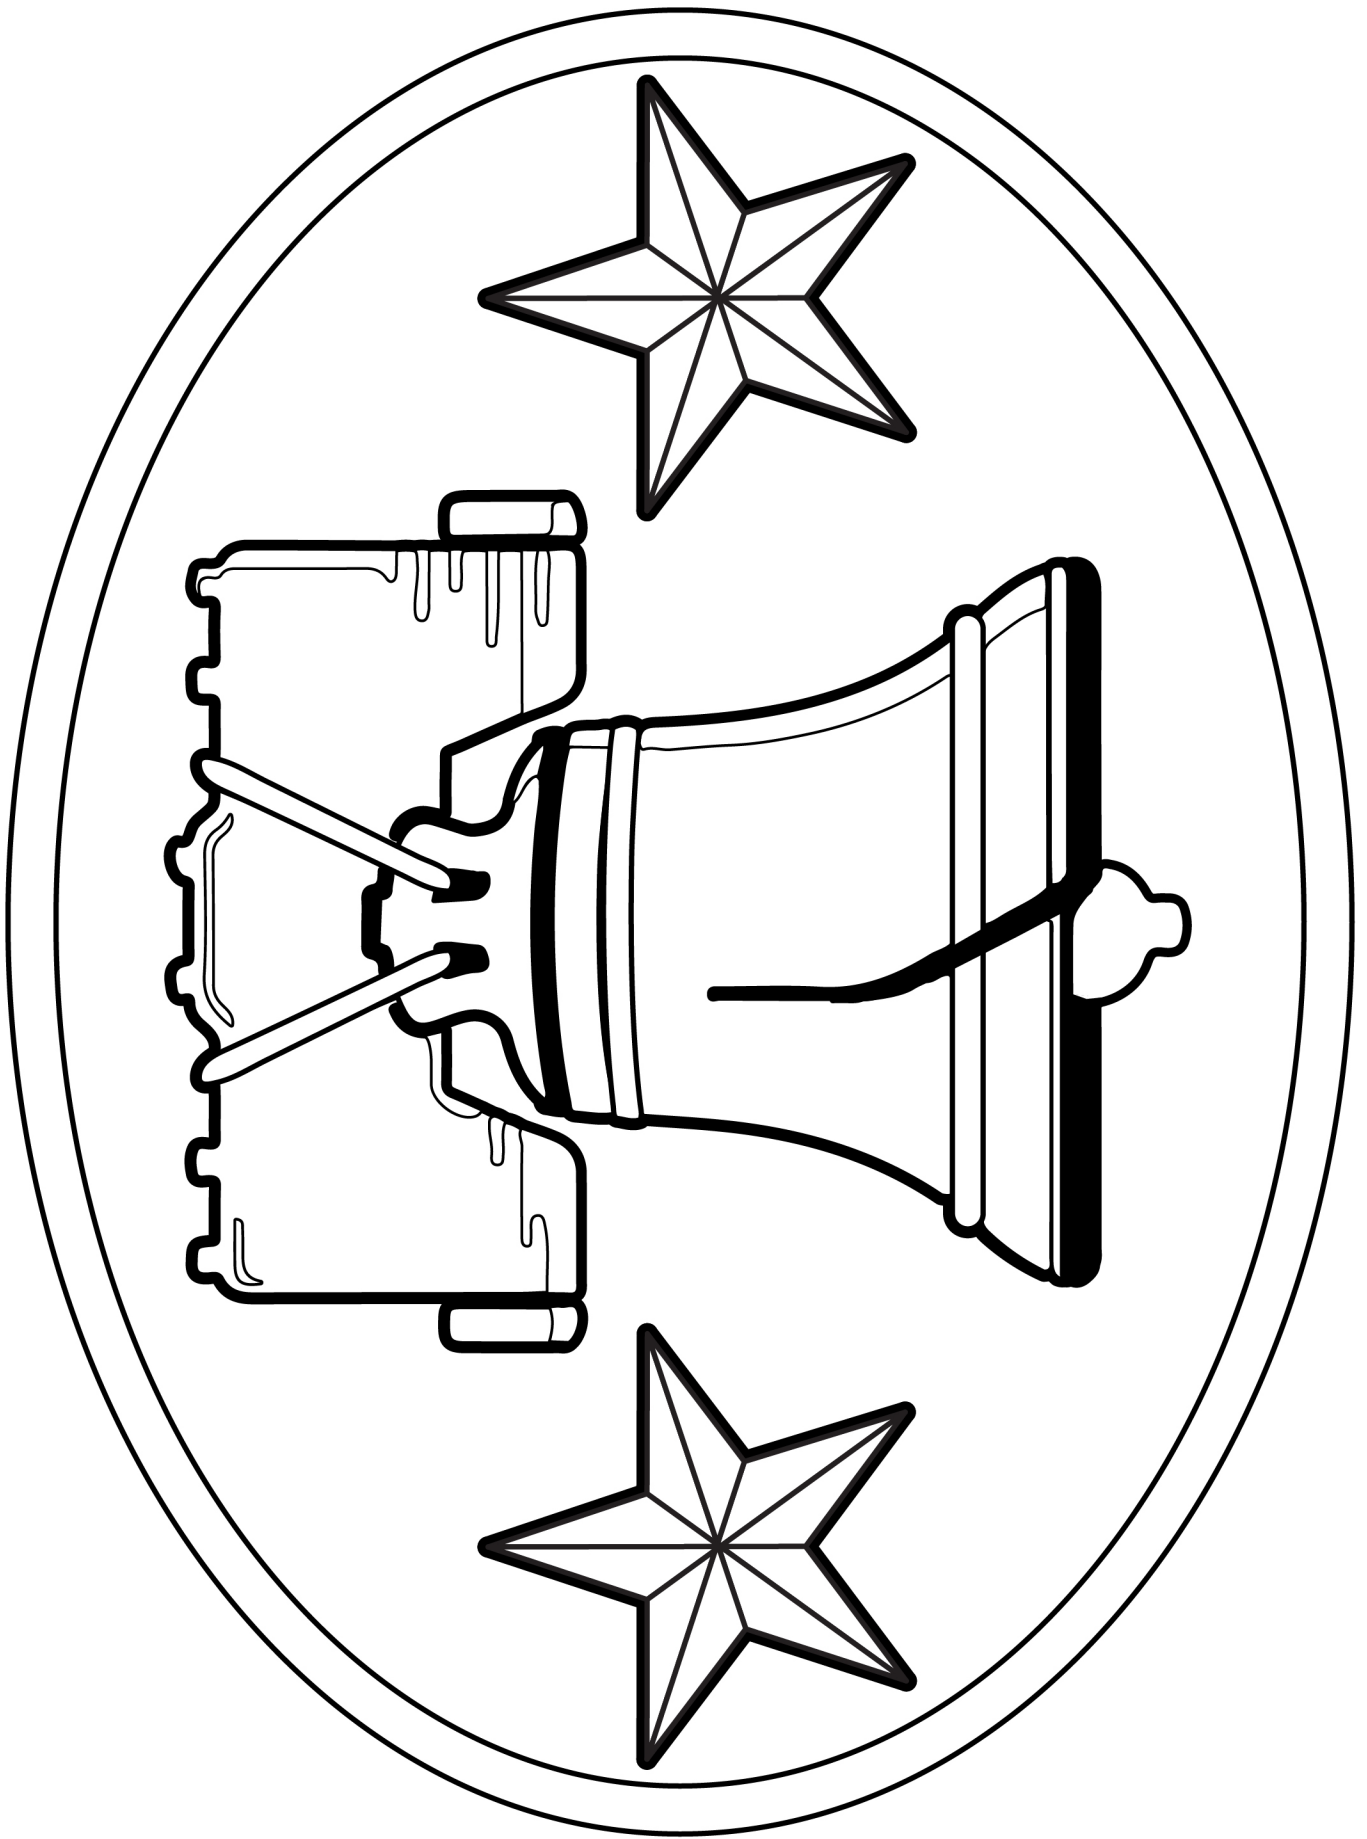

Display a picture of the completed [Pretty Platters](#) project to excite crafters and artists.

Directions:

1. Color a platter design.
2. Laminate it using clear contact paper.
3. Cut out the oval design and then use a generous amount of glue stick to attach it to the paper platter. Your project is now ready to use!
