

Photo Finish: Holiday Tree

Glue paper circles onto a photo of a holiday tree to create a mixed-media masterpiece.

You will need:

- [Tree photo](#) printed in color on card stock
- [1" circle punch](#)
- Assorted scrapbook paper, recycled Christmas cards, wrapping paper, magazines, etc.
- Glue stick
- (Optional) Scissors

Display a picture of a completed [Photo Finish: Holiday Tree](#) collage to give crafters a preview of this project.

Directions:

1. Punch out at least 7 colorful circles from assorted types of paper. You can also use a [template](#) and scissors to cut out 1" circles.

2. Glue the circles onto the photo where indicated to trim the tree.

Tips: This project is great for repurposing bits of scrapbook paper, old greeting cards, etc. Some crafters might enjoy punching or cutting extra circles and sorting them for future projects.
