

# Cute and Spooky Treat Boxes

Make these cute trick-or-treat boxes and fill them with candy for all of your little ghosts and goblins. **Tip:** They also make cute decorations and party favors.

## You will need:

- Orange, white, and black card stock or heavy scrapbooking paper (plain or patterned)
- Raffia or decorative ribbon
- Hole punch
- Glue
- Scissors
- Candy to fill the boxes
- [Treat box and face patterns](#)

Print a [picture of some completed boxes](#) to show your crafters. Post a copy on your bulletin board to create interest in the activity.

## Directions:

1. Cut out the box pattern and trace it onto the card stock or scrapbook paper.
2. Cut out the box, fold, and punch holes where indicated on the pattern. Glue the tabs toward the inside and hold in place while it dries.

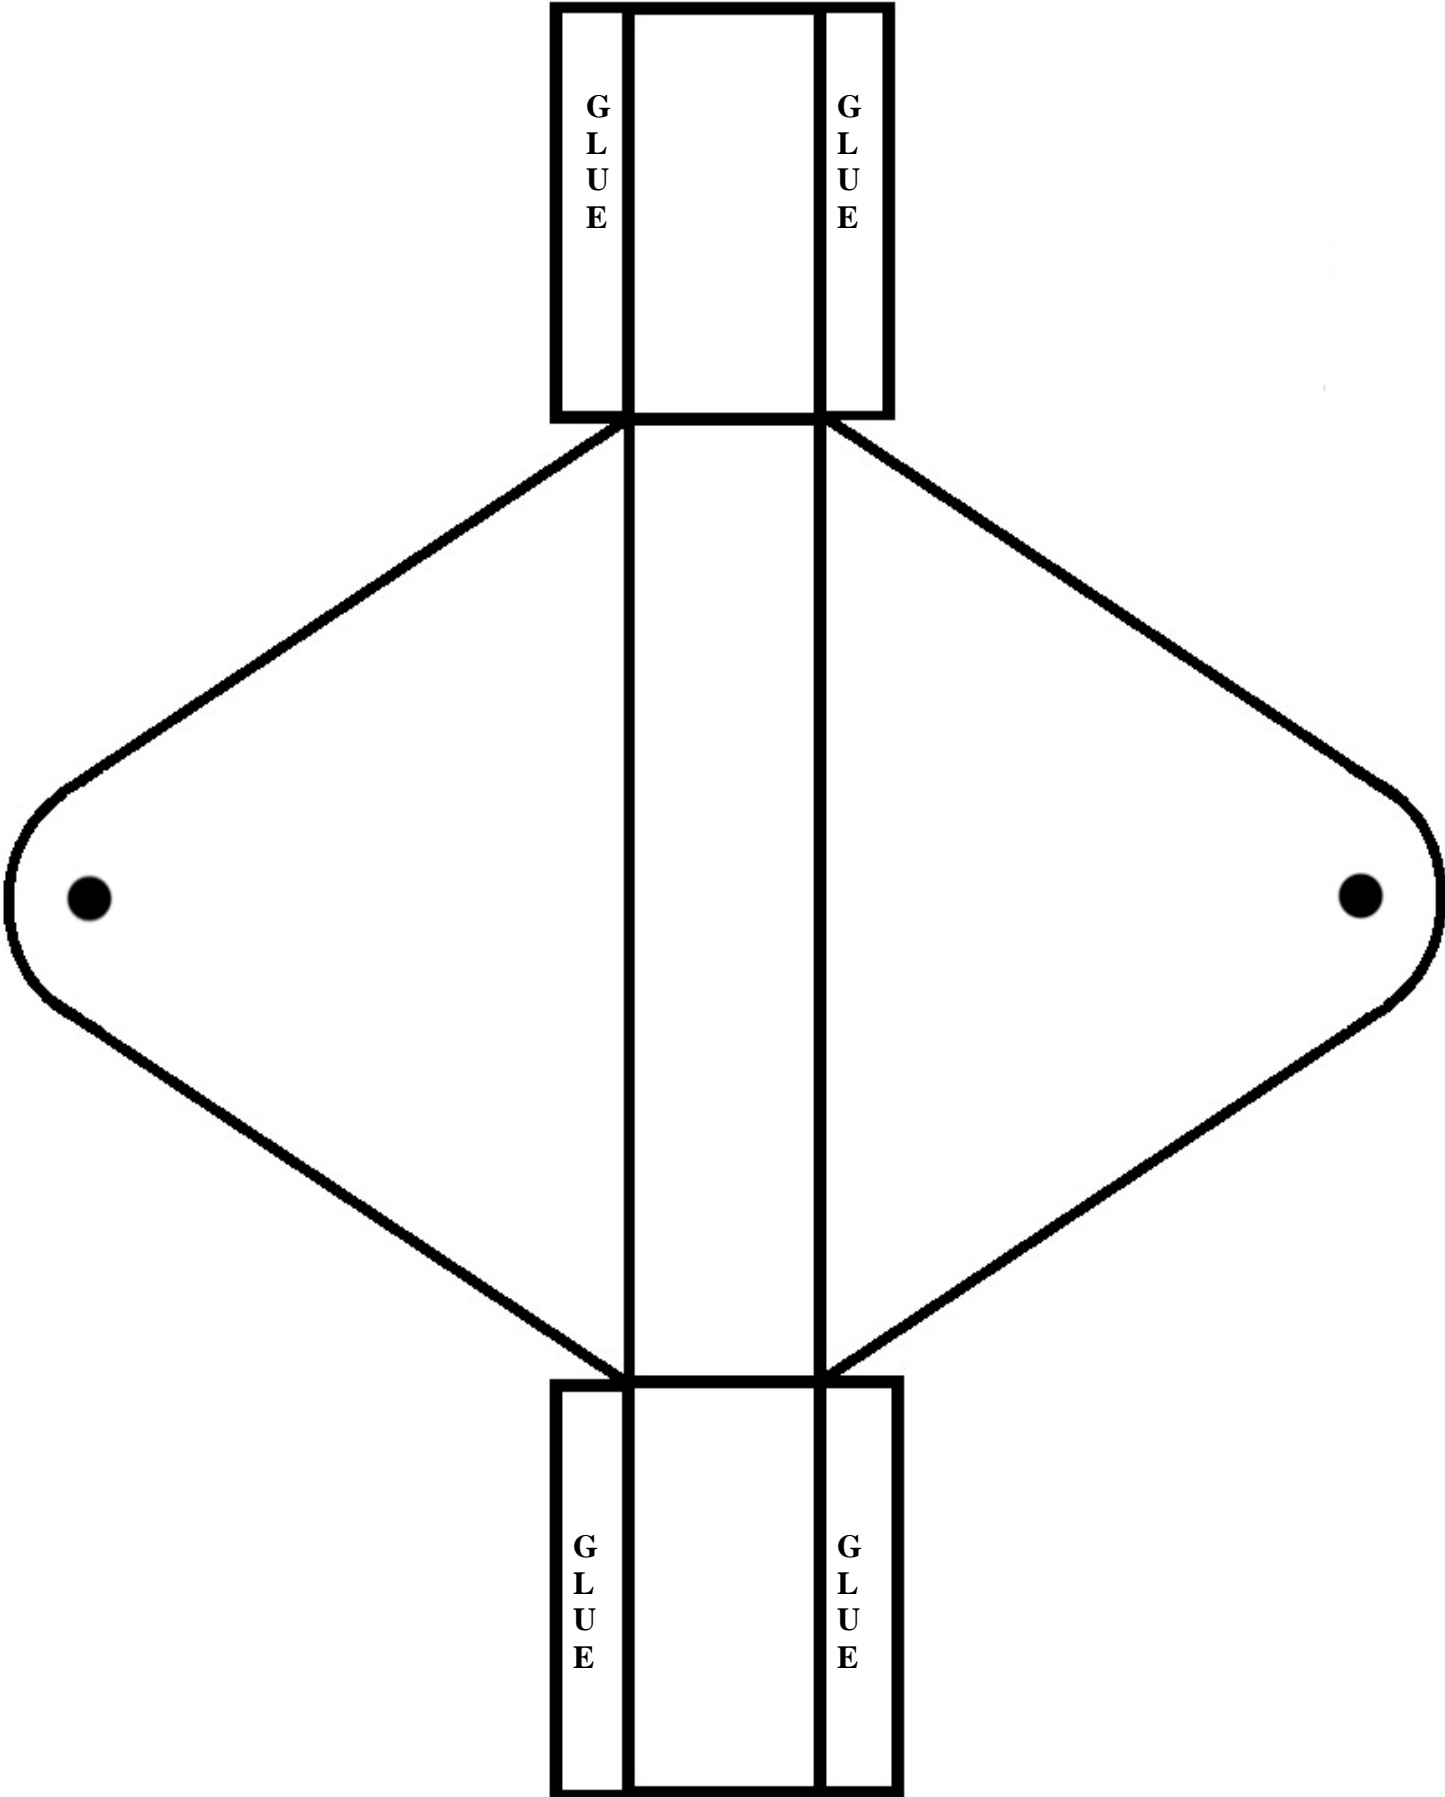

3. Trace the face patterns onto black card stock. Cut them out and glue the pieces onto the treat boxes.
4. Fill the treat boxes with candy, and then tie the ends together with raffia or decorative ribbon.

**Your own variation:**

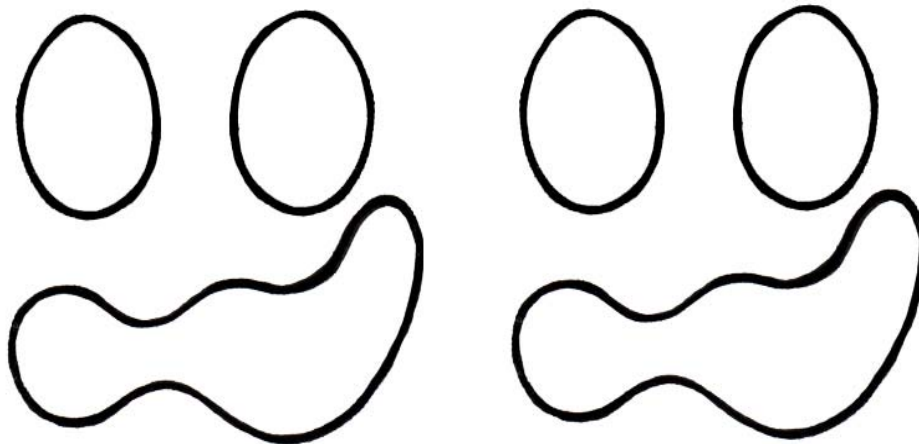

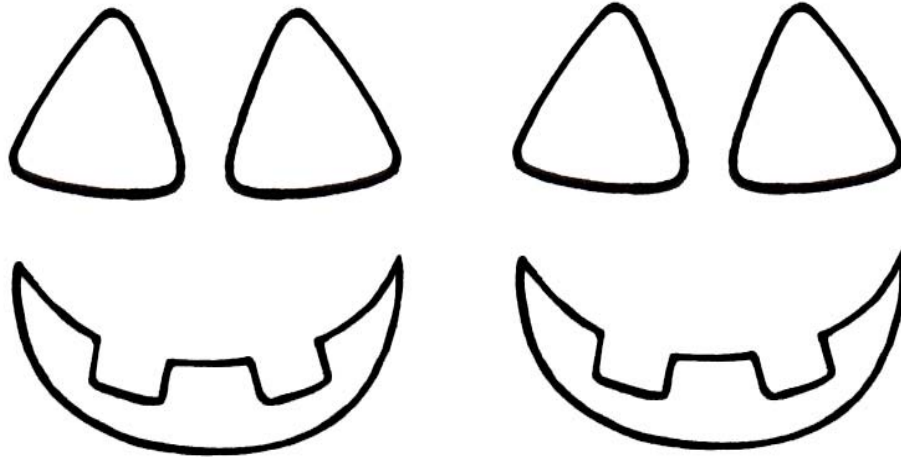

Instead of using the face patterns above, draw details onto the boxes with permanent markers. Or, try these [other patterns](#).
