

## Easy Cracker Cookies

### Ingredients:

- 1 cup creamy peanut butter
- 3 sleeves Ritz crackers
- 20 ounces dark chocolate melting wafers

### Directions

1. Line a baking sheet with parchment paper.
2. Spread about 1/2 teaspoon of peanut butter on one side of a cracker. Top with another cracker, sandwiching them together. Place sandwiched crackers on the prepared baking sheet. Repeat until all crackers are used up.
3. Place the chocolate melting wafers in a microwave-safe bowl. Microwave 2–3 minutes or until chocolate is completely melted, stirring every 30 seconds.
4. Dip each cracker sandwich into the melted chocolate coating completely. Using a fork or tongs, lift each cracker sandwich out of the chocolate, shaking off any excess. Place each back onto the prepared baking sheet.
5. Chill until firm.
