

Shabby Chic Centerpiece

Display wildflowers in an assortment of bottles and jars for a casual centerpiece.

You will need:

- Assortment of wildflowers and pretty weeds
- 5–10 glass or plastic bottles and jars (various shapes and sizes from 3" to 6" tall)
- Pruners or sturdy scissors
- Water
- (Optional) [Goo Gone](#) and paper towels

Display a picture of a completed [Shabby Chic Centerpiece](#) to inspire crafters and decorators to try this project.

Directions:

1. Clean the bottles and jars, removing any labels. Use Goo Gone and a paper towel to remove sticky residue if needed.
2. Add water to the bottles and jars and arrange them placing the tallest in the center.
3. Cut the stems of your weeds and flowers at an angle and place 1 or 2 in each “vase.”
4. Change the water and trim the ends of the weeds and flowers every few days (or more frequently) to keep them fresh.
