

Dad's Day Doodle Card

Color the provided Father's Day card design to share with a special guy.

You will need:

- [Card design](#) printed on white card stock
- Markers or colored pencils
- Scissors

Display a picture of a completed [Dad's Day Doodle Card](#). Crafters will enjoy making them for the holiday.

Directions:

1. Cut the two cards apart along the solid gray line.
2. Color the design and fold the card in half along the dashed gray line.
3. Write a Father's Day message inside and give a card to a super dad or grandpa!

Happy Father's Day
