

# Dorothea Rivett Award

*Recognizing an outstanding contribution to the community in its understanding of Alzheimer's disease.*

**In 1993, Dorothea volunteered as a Board Member. She served as President, Past President and Treasurer, and has been credited with rebuilding the chapter. Dorothea did not believe the ASSL should be located in a nursing home, away from the public eye. During her tenure, the office moved to Sarnia, hired staff and regained charitable status and ASO affiliation. Dorothea's belief was that the ASSL should be highly visible and accessible. She passed away October 19, 2006.**
