SIMCOE COUNTY

VOLUNTEER BOARD OPPORTUNITY

The Alzheimer Society of Simcoe County (ASSC) is currently recruiting volunteers across Simcoe County to join their Board of Directors who exemplify and reinforce the values of Collaboration, Accountability, Respect and Excellence (C.A.R.E).

The ASSC mission is to improve the quality of life of persons living with dementia and that of their care partners, through the provision of support services, education, social programs and research support.

The focus of our Board is governance and strategy of the organization. While applicants with a broad range of skills and experiences are encouraged to apply, legal expertise, fundraising and event planning experience are of particular interest.

The Board actively supports a culture of diversity and inclusion. We encourage applications from all who reflect the diverse communities that ASSC serves and from individuals with lived/living experience of Alzheimer's Disease and other forms of dementia.

We are committed to providing equal opportunities for persons with disabilities. Accommodations are available at all stages of the recruitment process, at the candidate's request. To explore this governance opportunity further, please contact the Society at 705 722 1066 x221 or email simcoecounty@alzheimersociety.ca.
