

PARTICIPANTS NEEDED FOR RESEARCH IN FAMILY CAREGIVING

I am looking for volunteers to take part in a study of family caregivers in rural New Brunswick.

Study participants should meet the following criteria:

- ✓ provide a minimum of 20 hours per week of care for a relative in their home who requires assistance due to age, chronic illness, or disability
- ✓ be 18 years of age or older
- ✓ have the ability to speak and understand English

As a participant in this study, you would be asked to take part in one of the following ways:

1. one 45 minute interview session
2. one 45 minute interview, followed by your collection of photos illustrating your caregiving experience, then a second 45 minute follow up interview

In appreciation for your time, you will receive \$20 cash or gift card

For more information about this study, or to volunteer for this study, please contact:
