

Learn from home April - June, 2019

All webinars are offered at 2 p.m. and 7 p.m. (Pacific Time), unless specified otherwise, and last for one hour.
Please choose the time that is most convenient for you.

Wednesday, April 17, 2 p.m. ONLY

Research 101: Dispelling the myths with guest speaker Dr. Julie Robillard

Interested in dementia research? This webinar, from Dr. Julie Robillard, Assistant Professor of Neurology at UBC and Scientist in Patient Experience at BC Children's & Women's Hospital, will help you better understand the research process. Topics covered will include: types of dementia research, what to expect when participating in a research project, and how to decide whether to participate in research.

Two ways to connect to the webinar in April:

1. **By phone:** 1-866-994-7745
Participant pass code: 1122333
- or
2. **By internet:** momentum.adobeconnect.com/alzheimerbc (enter as a guest)
Use the same phone information or listen through your computer.

Tuesday, May 14, 2 p.m. or 7 p.m.

Dementia Friends

We all have a role to play in making our community dementia friendly. Learn about dementia and how you can help people living with dementia feel included and supported.

Wednesday, June 12, 2 p.m. or 7 p.m.

Travelling with a person living with dementia

This facilitated discussion will discuss the challenges and safety concerns that may present when travelling with a person who is living with dementia. Learn strategies to help your trip go more smoothly.

In the upcoming months we will be changing the platform on which these webinars are offered. Please go to alzbc.org/tele-workshops for up-to-date information on how to connect to the webinars in May and June.
