

(Formerly Coffee Break®)

COUNT ME IN!

Tips for a Successful Virtual Social with a Purpose®

- **Promote / Advertise your Social with a Purpose®** fundraiser by emailing or calling people with all of the fun details and links, to donate & join in well in advance of the date of your Social with a Purpose® fundraiser. Let people know why you're hosting and how much it makes a difference in the quality of life of people affected by a dementia.
- **Tax receipts will be issued for all donations of \$20.00 or more**
- **Once you register at on.alz.to/socialwithapurpose** you'll have access to tools and online links to events that can be incorporated into your virtual fundraiser to make it more exciting! (cooking videos, etc.)
- **Invite people to join in!** Your Social with a Purpose® event can be a fun way to socialize virtually, while following physical distancing guidelines with friends, neighbours, or colleagues by sharing links to various social programs during your zoom event. The power of coming together and hosting a Social with a Purpose® fundraiser will provide those living with dementia and their care partners needed social recreation programming, as well as education, family support and counselling.
