GREY - BRUCE

The Value of Monthly Giving

A growing number of our donors are choosing to switch to a monthly giving plan. This is a trend for many charitable organizations and it has benefits for both the donor and the charity.

Ways your donations will help

- \$5 each month (\$60 per year) will support one telephone or in-office counselling session
- \$8.50 each month (\$102 per year) will support one community education presentation
- \$12.50 each month (\$150 per year) will support one in-home counselling session
- \$30 each month (\$360 per year) will allow a support staff member to attend a Memory Clinic where we provide counselling at the time of diagnosis for persons with dementia, and their caregiver
- \$40 each month (\$480 per year) will support a one-day Gentle Persuasive Approach training session for 12 professional caregivers from a long term café facility, retirement home, or community agency
- \$55 each monthly (\$660 per year) will support a First Link Learning Series in a community in Grey-Bruce
- \$85 per month (\$1,020 per year) will support facilitation of a support group for six months.
