*For people with dementia,
every step counts.*

“Living Well with Dementia”

Thursday, January 17, 2019

2:00 - 4:00pm

St. Catharines Library

54 Church St., St. Catharines

This forum will bring together community partners to present information about supports and services in our community that can help people living with dementia and their families to continue to stay engaged and safe in our community.

Throughout the month we will also have display cubes set up in the library to highlight dementia awareness and supportive services. **Drop in to the library to check them out starting January 7, 2019!**

This event is open to the public and will include light refreshments.

*Together we can work together to support
people with dementia to live well in Niagara!*

All Public Forums are suitable for family & friends of individuals living with dementia.

**Registration
is Required**
