2019 Request for Applications: NBHRF/ASRP Grants and Awards

1. Program Objective

The purpose of this program is to support a greater number of doctoral awards, postdoctoral fellowships, young investigator grants and research grants in New Brunswick who wish to continue their research training in the field of Alzheimer's disease and other dementia.

2. Mechanisms of Support

The funding partners, The New Brunswick Health Research Foundation (NBHRF) and the Alzheimer Society Research Program (ASRP) will co-fund **Research Grants (up to \$150,000 over two years)**, **New Investigator Grants (up to \$225,000 over three years)**, **Doctoral Awards (\$66,000 over three years)** and **Postdoctoral fellows (\$83,000 over two years)** that are within the fundable range following the ASRP peer review process. Projects submitted must achieve a passing score in the review process Peer PRSA.

3. Program Eligibility

Doctoral applicants must be within the first 18 months the PhD program
Postdoctoral fellowship applicants must be within the first 18 months of completing their PhD.
New Investigators must be within the first 2 years of receiving their first faculty position.
Research Grants must hold a faculty position within a Canadian University or affiliated institution. Further eligibility criteria can be found within the [ASRP Application Guidelines](#).

4. Applications

Applications to the program must be submitted by November 9, 2018 to ASC, using the online portal: <https://asc.myreviewroom.com/>. Candidates must also notify NBHRF of their ASRP application by [email](#) and attach to it all documents and materials submitted to the regular ASRP competition. Applicants to this program will automatically be considered for a Research Grant in ASRP's concurrent competition.
