

**2019 Request for Applications: ASRP/ PARF Research Grants
(Biomedical applications only)**

1. Program Objective

The purpose of this program is to foster research into Alzheimer’s disease and other dementias, carried out by new or established investigators in British Columbia.

2. Mechanisms of Support

The funding partners, [Pacific Alzheimer Research Foundation](#) (PARF) and the [Alzheimer Society Research Program](#) (ASRP) will co-fund **Research Grants valued at up to \$300,000 (maximum of \$150,000 per year) over two years.**

3. Program Eligibility

Principal Investigators must hold a faculty position from a university or affiliated institution within British Columbia and meet eligibility criteria outlined in the ASRP Application Guidelines.

4. Applications

Applications to the program must be submitted by November 9, 2018 to ASC, using the online portal: <https://asc.myreviewroom.com/>

Applicants to this program will automatically be considered for a Research Grant in ASRP’s concurrent competition.
