Meet the Alzheimer Society: Serving Sudbury-Manitoulin North Bay & Districts

The Alzheimer Society of Sudbury-Manitoulin North Bay & Districts (ASSMNBD) is dedicated to improving the lives of persons living with dementia and their families. Since 1978, we've been offering and expanding free programs and services for those on the dementia journey. With dementia cases expected to reach 316,000 in Ontario this year, our healthcare system is unprepared. Many turn to hospitals, contributing to Ontario's \$30 billion dementia care costs. We urgently need your support in the community.

"Good day program is somewhere where you learn music, history, you know, you learn"

- Raymond, Persons Living with Dementia & Client of SASSMNBD

"I think that the support and direction that I got from the Alzheimer Society has really helped me configure things out because everything is different on a daily sometimes even hourly."

- Celeste, Care Partner & Client of SASSMNBD

"I didn't realize there's so many gifted people in our community, waiting, just waiting there to help people. Get rid of your ambitions and saying you can do it yourself because you're not going to be able to do it yourself... these people will help you in ways you don't even know, they have literally given most of my life back again, and my sweethearts. "

- Wes, Care Partner & Client of SASSMNBD

WHAT WE DO

Healthcare Navigation & Support

Over 7000 Clients served in 2023

We empower families dealing with dementia challenges by offering personalized assessments, care planning, and proactive follow-up from diagnosis through disease progression. Whether in-person or virtually, we provide invaluable health resources and support, facilitating access to information and services for a fulfilling journey through dementia, enabling informed choices and enhancing quality of life for all involved.

Adult Day Programs

6 ADP locations Sudbury | North Bay | Powassan | Espanola | Sturgeon Falls | Alban

Our Adult Day programs (ADP) are specifically designed for individuals with Alzheimer's disease or related dementias. Our programs offer supervised activities in a comforting, home-like setting, with professional staff experienced in dementia care ensuring a safe, structured, and stimulating environment.

In-Home & Community Recreational and Support Programs

12 monthly in-person & virtual support groups

We provide a range of support services tailored to individuals living with dementia and their families, including support groups where personal experiences are shared, fostering a sense of community and empowerment. Additionally, our innovative programs, both community-based and in-home, promote physical, mental, and emotional wellness year-round for both individuals with dementia and their care partners.

Dementia Education

Provided +300 Education Sessions in 2023

We provide a comprehensive Dementia Education Program offering diverse learning opportunities for individuals living with dementia, care partners, and the community. From informative public sessions to tailored 4-week learning series, and skills-based CARERS and TEACH programs in collaboration with Mount Sinai, we deliver insights, communication strategies, and vital support for navigating the challenges of dementia.
